FORM SC1040ES

(Rev. 10/3/08)

**STATE OF SOUTH CAROLINA
INDIVIDUAL DECLARATION OF ESTIMATED TAX
INSTRUCTION AND WORKSHEET**

The enclosed declaration payment-vouchers are provided to file and pay your declaration of estimated tax. **Quarterly billings will not be made.** The payment-voucher must be attached to your payment for proper posting of the amount paid.

A WHO MUST FILE A DECLARATION: Every individual must file a declaration of estimated tax for 2009 if the expected total amount of tax owed when the income tax return is filed will be \$100.00 or more. Exceptions for filing a declaration are:

- (1) **Farmers and Commercial Fishermen** whose gross income from farming or fishing for 2008 or 2009 is at least two-thirds (66.67%) of the total gross income from all sources. These taxpayers may choose to pay all their estimated tax by January 15, 2010 or to file their 2009 SC1040 and pay the total tax due by March 1, 2010 instead of making four quarterly installments.
- (2) **Any Individual** whose prior year tax liability was zero (0) for a full 12 months.
- (3) **Any nonresident taxpayer** doing business in South Carolina on a contract basis when the contract exceeds ten thousand dollars (\$10,000) and the tax is withheld at the rate of two (2%) percent from each contract payment.

NOTE: You may be able to avoid making estimated tax payments by asking your employer to withhold more state tax from your earnings, if applicable. To increase your state withholding, file a new withholding exemption certificate W-4 with your employer. Retirees may make changes to their withholding through their pension provider.

B WHEN TO FILE YOUR ESTIMATED TAX: An individual taxpayer on the calendar year period will generally file a declaration of estimated tax voucher on April 15, 2009, June 15, 2009, September 15, 2009 and January 15, 2010. (FOUR EQUAL AMOUNTS)

(1) Other declaration filing dates if not required to file on April 15.

If the requirement is met after:
April 1 and before June 1
June 1 and before September 1
September 1

Filing date is:
June 15, 2009
September 15, 2009
January 15, 2010

(2) Fiscal Year taxpayers must file their declaration of estimated tax vouchers on the 15th day of the 4th, 6th, and 9th months of the fiscal year and the first month of the following fiscal year.

C PAYMENT OF ESTIMATED TAX: Pay your estimated tax in four equal amounts on the required filing dates attached to the corresponding voucher; however, you may pay all of your estimated tax on April 15, when the first installment is due. Instead of making your last payment of estimated tax on January 15 (Voucher Number 4), you may file your completed income tax return by February 1 and pay in full the balance of all income tax owed. **Any overpayment of estimated tax claimed on your individual income tax return may be either refunded or credited to the next year.**

D JOINT VS. SINGLE DECLARATION: A husband and wife who are living together may file a joint declaration; however, there are exceptions that require a single or separate declaration. These exceptions are: (1) married taxpayers with different taxable years and (2) married taxpayers who wish to retain their own identity by using different last names.

NOTE: If you file a joint SC1040ES and file separate individual income tax returns you may experience delays in processing.

E DECLARATION ADJUSTMENT: If you find that the estimated tax is substantially increased or decreased as a result of (1) a change in income, (2) a change in exemptions or (3) a change in the income tax withholding, the adjusted declaration should be filed on or before the next filing date. A special form for adjusting your declaration will not be needed. Therefore you must use the regular declaration voucher for the filing period.

F PENALTY FOR FAILURE TO FILE AND PAY ESTIMATED TAX: You may be charged a penalty for not paying enough estimated tax, or for not making the payments on time in the required amount. The penalty does not apply if each required payment is timely and the total tax paid is at least 90% of the total tax due. No penalty will be due for underpayments attributable to personal service income earned in another state on which income tax withholding due to the other state was withheld. **Most taxpayers filing a declaration may also avoid penalty by paying 100% of the tax shown to be due on the return filed for the preceding taxable year.** You must have filed a South Carolina return for the preceding tax year and it must have been for a full 12-month year. However, the 100% rule is modified to be 110% of last year's tax liability for an individual with an adjusted gross income of more than \$150,000 as shown on the return for the preceding tax year. (To compute adjusted gross income use federal guidelines and make South Carolina adjustments.) Use SC2210 to compute the penalty.

G HOW TO USE THE PAYMENT VOUCHER:

- (1) **TYPE OR PRINT** your name, address and Social Security number in the space provided.
 - (2) Enter the amount shown on line 11 of the worksheet on the Amount of Payment line. If no payment amount is due, no SC1040ES needs to be filed.
 - (3) Tear off at the perforation.
 - (4) Attach your check or money order, made payable to the South Carolina Department of Revenue, to the payment voucher.
- Mail the payment voucher and remittance to the SC Department of Revenue, Estimated Tax, Columbia, SC 29214-0005.

VERY IMPORTANT -- Fill in the Record of Estimated Tax Payments so you will have a record of all payments made. **The Department will not mail you a statement showing the amount of estimated tax paid during the year.**

Darken or X the circle in the composite filer box if this payment will be claimed on a composite return filed for nonresident partners/shareholders of a partnership/corporation.
